FireNEX™-uLINK Active USB Cables

REACH Compliance Declaration

Newnex Technology Corp. declares, under its sole responsibility, that the products identified below meet the SVHC and restriction requirements specified in this declaration under **Regulation (EC) No. 1907/2006 (REACH), as amended and applicable on the date of issue**.

SVHC Candidate List status

Candidate List: 253 entries | Last updated: 4 February 2026

Official reference: ECHA CHEM Candidate List | ECHA legacy table

The listed products contain no substance on the referenced Candidate List at a concentration exceeding **0.1% by weight (1,000 ppm) in any constituent article**. For REACH Article 33, this threshold applies to each constituent article within an assembled product.

Annex XVII restrictions

The listed products comply with the applicable restriction conditions in Annex XVII under Article 67, including relevant limits, uses and application dates, as of the issue date.

Covered part number families
